

IndPlas 2018 Exhibition

IndPlas 2018, the 8th international exhibition on plastics was held from 30th November to 3rd December 2018. Organized by “Indian Plastics Federation (IPF)” the trade show was held at Eco Park Exhibition Centre, Kolkata, India. It was also supported by Ministry of Chemical & Fertilizers, West Bengal Industrial Development Corporation (WBIDC), Assocham India, Indian Chamber of Commerce, FICCI and Major Plastics Associations of India.

Dr. Amit Mitra - Minister of Finance, Commerce & Industries West Bengal inaugurated IndPlas'18 Exhibition.

The show was very well organized by IPF with more than 350 exhibitors in 9 halls at a new venue.

There is strong potential in Eastern part of India as they are catching up with average growth of country backed by the support of Raw-material manufacturers of that region.

The exhibitors displayed all types of Plastics products. Home furniture were points of attraction and flooded with potential buyers

Raw-material halls showcased several big players and biodegradable additives manufacturers saw good demand.

Many international exhibitors participated, with Chinese exhibitors having highest visibility coming with a specialized offering like Compounds of engineering plastics for automobile etc.

AIPMA had two stalls in the exhibition which was graced by President - Mr. Meela Jayadev, Vice President Finance - Mr. Chandrakant Turakhia, Vice President (West) - Mr. Kishore Sampat, Vice President (East) - Mr. Ashok Agarwal, Chairman Plastivision India 2020 - Mr. Rituraj Gupta, NAB Chairman - Mr. Kailash Murarka. Mr. Tapas Ray - Regional Manager - East Zone, Mr. Abdul Acidwala, Mr. Raju Shukla and Mr. Praneet Vichare attend the exhibition and did marketing for all our events such as PVI 2020, PVA 2019, PW 2019 and other AIPMA activities.

Delegations from Sri Lanka and Africa were very active during the exhibition.

It was a wonderful experience working under the leadership and guidance of the seniors, with a great exposure and with motivating results in terms of marketing.

AIPMA had a meet with the Delegation from Sri Lanka Association for cooperation in our events.

AIPMA has signed MoU with Plastic man of India Dr. R. Vasudevan to support use of Plastic Waste for road building and save environment

A priceless moment captured, having senior dignitaries at the PVI 2020 booth together.

Mr. Praneet Vichare promoting 'Plastivision India 2020' to a visitor from Myanmar, who made an enquiry.
