Respected Sir,

The All India Plastics Manufacturers' Association established in 1945 is the oldest and the largest apex body to promote development and growth of Indian Plastics Industry. 90% of Membership of AIPMA is from MSME Sector. AIPMA promotes Plastic Parks and Job Fairs are held regularly jointly with Technical Institutes to address employment issues in Plastics Industry. Regular Seminars and Conferences are held with meaningful topics related to the industry. Business delegations to Chinaplas, K, Koplas, Taipei Plas, NPE, etc. are organized regularly. The detailed Profile of AIPMA is attached herewith.

AIPMA representatives used to attend PTFC meetings in the Past. However, intimation of PTFC meetings have not been received by us recently.

As a Industry Association, we are regularly getting inputs on the outcome of PTFC and CCFC meetings and we understand the importance of representing queries of our Industry by attending meetings being held by the Customs authorities whose role as Trade facilitator has been recognised all over the country.

We are proud to see the World Trade Organisation ranking of India, which has improved so much in past few years, are the results of the Government of India initiative of Ease of Doing Business which could be implemented through Proactive Commissionerate meetings such as PTFC and CCFC etc.

We request your office to register the name of AIPMA for the meeting of CCFC and PTFC meetings from time to time. We assure you that we shall bring relevant points of our members related to Port and Custom working and improve Compliance of various laws and Procedures by our members for the Import / Export activities.

Recently the introduction of 'Faceless Assessment' and new law of 'Carotar 20' on Certificate of Origin have resulted in too many questions being raised by our members and requesting our Association to be more informative on the subject so that
