**Subject: Request for a meeting with major polymer producers in the country**

Dear Kamal Bhai,

Greetings from 10 associations. Hope you are doing great.

This has reference to the recent increase in the cost of Raw material which is posing major challenge for the downstream industry. In order to discuss the same and try to find solutions in order to bring some relief to the converting industry, we request you to use your good offices to facilitate a meeting (preferably on 8<sup>th</sup> or 9<sup>th</sup> of December 2020) of polymer producers with heads of ten associations which fairly represent the processors-large, medium and small- of majorly all parts of the country. The meeting is necessary for better understanding of problems faced by the processing units amidst present situation of significant surge in raw material prices and problem w.r.t availability of materials.

Thanks for your kind consideration and with best regards,
