**Subject: Request an extension for 6 weeks to register & file submissions to the questionnaire responses as well as comments to the Initiation of Anti-Dumping Investigation concerning imports of Low Density Polyethylene (LDPE).**

Respected Sir,

Greetings from The All India Plastics Manufacturers' Association (AIPMA).

As you may be aware, AIPMA is a 75-year-old and largest industry association representing Plastic industry in India. AIPMA represents more than 20,000 industry members across India.

This is with reference to the anti-dumping investigations initiated by Directorate General of Trade Remedies, Ministry of Commerce, Govt. of India against the imports of Low Density Polyethylene (LDPE) from Qatar, Saudi Arabia, Singapore, Thailand, United Arab Emirates and United States of America.

As AIPMA represents major users of LDPE in the country and therefore taking in to consideration the interest of the users of LDPE, we would like to submit requisite information along with detailed representation to DGTR.

It may be noted that the industry is facing various logistics and operational issues due to restriction as a result of ongoing COVID 19 pandemic. Please also take in to consideration that we have witnessed quite a few holidays and non-working days due to festivals.

Taking in to consideration the above, **we would request an extension of 6 weeks to register & file submissions, information and representations.**

We look forward for your kind consideration of the time extension.

Looking forward to hearing from you.

Thanks and Regards

Yours Sincerely,

**For The All India Plastics Manufacturers Association**
