NPE 2027 Target Exhibitor: Advanced Plastics Technologies	Import by	
	USA USD	Mexico USD
Plastics Processing Machinery Injection moulding, extrusion, blow moulding, thermoforming, auxiliaries, downstream equipment	2,970	285
Molds, Dies & Tooling Solutions Injection molds, blow molds, dies, precision tooling systems	1,120	95
Automation, Robotics & Industry 4.0 Robotics, smart manufacturing systems, digital controls, factory automation	3,550	335
Recycling & Circular Plastics Solutions Recycling machinery, reprocessing equipment, waste management, sustainable technologies	2,360	235
Raw Materials & Plastic Products Plastic films, sheets, profiles, pipes, packaging products, moulded components	3,000	300
Chemicals, Additives & Masterbatches Polymers, compounds, color masterbatches, stabilizers, pigments, coatings, specialty chemicals	1,500	150

*2025 data till Oct; averages shown.

PARTICIPATION HIGHLIGHTS

- Prime Booth Location
- End-to-End Travel Assistance
- Stay in Orlando
- On-Ground Coordination & Support
- Visa Guidance & Documentation Support
